

How We Build Here!

(At this table, grown-ups and children build as one team)

1

WE VALUE EVERY CREATION

No build is too small, different, or not-quite-finished. They all matter.

3

WE REMEMBER WHAT WE'VE BUILT

Our builds help us remember what God is showing us.

5

THE JOURNEY MATTERS MOST

It's not about the best model. It's about what happens as we build.

7

EVERYONE BELONGS

There is room at the table for every family.

2

WE BUILD TOGETHER

Adults and children create side by side – no spectators!

4

WE STAY OPEN TO WHATS NEW

Ideas can change. That's part of creating.

6

WE CREATE BECAUSE GOD CREATES

Creativity is one way we reflect our Creator.

8

WE ARE BUILDING SOMETHING BIGGER

Brick by brick, God is building us together.
